

Group Inventory Questions

Suggestions:

- A group can use all the questions below, pick just some of them, or add better questions.
 - The inventory meeting should have a chairperson, everyone should take a seat, and one person talk at a time.
 - The group members can engage in open discussion and simply try to find points of agreement in an informal way, **or**
 - The group members can each take a paper copy and write answers, then have the answers compiled into one document for everyone to see at the next inventory meeting.
 - Motions for any changes should only be entertained after all discussion is concluded.
