Registration is very Important

The money that is collected from registration is used to pay all convention related expense. We believe once participants understand that the fees from registration makes the event possible and the registration funds collected are used for planning of the present and future conventions the reasons for registration should be clear. It is the SUPPORT of the Fellowship that make this all possible.

Metro-Detroit Region Convention XI

Our Theme is Through Freedom Comes Change Step Seven tells us "We are being changed". We've not only heard about the Miracle of Recovery, we are becoming living breathing examples of what the power of the NA Program can do. The spiritual life has ceased to be a Theory that we hear about at meetings it is now becoming a tangible reality.
