

Western Wayne Area

OUTREACH SUBCOMMITTEE:

The main purpose of Outreach is to help overcome that which hinders the growth and survival of our groups and its members. We accomplish this by providing information about and access to the Narcotics Anonymous service structure.

The focus is on participation, assisting groups in need of support, getting support, getting GSRs to area meetings, helping groups to become re-involved in the local service structure. Outreach must carefully coordinate their efforts with other committees. To these struggling groups and members, it is often Outreach that rekindles the hope that "**TOGETHER WE CAN**".

Outreach is simply a broad application of our Twelfth Step. Helping to maintain the link between the groups and the area service committee so that no group may feel alone or isolated. **Helping groups to become re-involved in the local service structure** and are able to meet their own needs.

Outreach organizes road trips to groups in need of support with Addicts on Wheels, register groups with the NA World Service Office and gather information to share at the area service meeting.

If you would like to be apart of the Outreach subcommittee or simply be apart of Addicts on Wheels, please attend the subcommittee meeting held at:

Willingness Meeting 8:00 p.m. 34500 Trinity Church Six Mile Road Livonia Second Tuesday of the Month
