P.O. Box 51202 Kalamazoo MI 49005

Sponsee Application

Dear NA Member,

When corresponding, it is required that men write to men and women write to women.

In addition to observing the rules in your facility regarding mail, the following guidelines drawn from shared NA experience may help when writing to an NA member on the outside:

1. Share in a general way in the opening letter what it used to be like in your addiction, how you got into NA and how your life has changed.
2. Remember this is not a pen pal club. It is to share the strength, hope and experience of the NA program.
3. Answer letters or ask to be removed from the correspondence list.

NA family members wish you the best that we can offer a day at a time.
