

O.C.A.S.C.N.A.

Oakland County Area of Narcotics Anonymous

Greetings from,

OUTREACH

OUTREACH is a subcommittee of OCASCNA that understands the demands of responsible service work at the group level and does not desire to impose any new demands on your group. We only seek to invite your participation and communication.

OUTREACH wants to know

- ❖ **HOW** is your group doing? **WHAT**, if anything, can we do to help?

OUTREACH wants *you* to know

- ❖ **WHY** the Area Service Committee exists and **WHERE** your group can turn to for help and service opportunities.

OUR GOALS:

- Open lines of communication between your meeting and Area (the other Groups)
- Invite your group to exercise its rights *and* responsibilities at the next level of service
- Promote unity within the fellowship
- Let groups know about the availability of service and help from your Area

HOW CAN WE HELP YOU?

- Need support from other addicts or Groups throughout Oakland County?
- Need help at business meetings to strengthen your home group?
- Need help to start a new meeting?
- Need info/understanding thru workshops or learning days?
- Would your group like to give suggestions for activities?
- Would your group like to host a marathon meeting, an activity, or fundraiser?

Please take a moment to fill out the GROUP SERVICE REPORT (either attached or available on our N.A. website) and return it to us so that we may better serve your group and experience "the Ties that Bind us Together".

Also, check out the other Outreach Resources currently available on this website and watch for ongoing updates and new information.

Stay connected..... "More will be revealed"
